Driveways/ Parking Areas Guidelines

Date Adopted: October 7, 2007

The preferred material to be used for any additional driveway or parking areas is concrete. Paver stones or brick will be considered on a case-by-case basis. It should be noted that the parking of any vehicles must be on the driveway or an approved surface, parking is not allowed on the grass per Article 2:23 and 2:28 of the Beringer Pointe Covenants.
